

# Kansas Mathematical Association of Two-Year Colleges

*Spring Conference ... March 29, 2008*

*Barton County Community College, Great Bend, Kansas*

## Call for Speakers

Deadline for Proposals: Friday, January 25, 2008

KAMATYC welcomes your proposals related to community college level mathematics, to the teaching of community college level mathematics, and issues arising from the community college mathematics curriculum.

KAMATYC especially desires presentations on dual credit, on online and/or hybrid teaching, on calculus alignments, and on alternatives to college algebra.
